

No Greater Return on Investment Than Students in Your Community

The Saddle Ranch Elementary (SRE) Parent-Teacher Involvement Organization (PTIO) works to raise funds through the generous contribution of our local businesses.

These funds are used in the school to make a significant impact in the lives of students, families and staff by providing enrichment activities that bring learning to life and improving relationships through community events.

Every year, we need to raise more than \$50,000 to impact student learning for years to come.

As a corporate sponsor for the 2023-24 school year you will directly impact more than 300 students as well as staff and families in your community. Your donation will enhance the following resources and programs:

- Enrichment Programs
- Art Department
- Music Department
- PE Department
- STEM Education
- Educator Classroom Support
- Library
- Staff Appreciation
- Technology
- Academic Scholarships
- Counseling Department
- Student Supplies
- Recess Equipment
- Field Trip Transportation
- Staff Professional Recognition
- and more!

PROMOTE YOUR BUSINESS WITH YOUR 100% TAX DEDUCTIBLE DONATION!

Sponsorship opportunities fit your needs and budget.

All sponsorship levels include visible recognition to our students, staff, and families. Many levels include advertisements at some of our most popular social events, including our Annual Auction, Field Day, Mustang Stampede, Movie Night and more!

Any support you can provide would be meaningful as a community partner supporting excellence in education for Saddle Ranch Elementary School students.
